1989 yılında Murat Caymaz tarafından İstanbul'da kurulan firmamız, hırdavat malzemesi üretiminde sektörün önde gelen isimlerinden biri haline gelmiştir. İlk olarak 200 metrekarelik bir alanda faaliyetlerine başlayan firmamız, o dönemde sınırlı bir ürün yelpazesi ile müşterilerine hizmet sunuyordu. Ancak, kaliteye ve müşteri memnuniyetine verdiğimiz önem sayesinde kısa sürede büyüme kaydettik ve üretim kapasitemizi artırdık.

Bugün, firmamız 10.000 metrekarelik modern üretim tesisinde 255 çeşit ürün üretmektedir. Ürün yelpazemiz, inşaat ve sanayi sektörlerinin ihtiyaç duyduğu pek çok hırdavat malzemesini kapsamaktadır. Gelişen teknoloji ve pazar ihtiyaçlarına paralel olarak, üretim süreçlerimizi sürekli olarak yenilemekte ve geliştirmekteyiz. Bu sayede, müşterilerimize her zaman en kaliteli ve güvenilir ürünleri sunmayı hedefliyoruz. Yenilikçi yaklaşımımız ve uzman kadromuzla, sektördeki yerimizi daha da sağlamlaştırıyoruz.
